

104th

*Annual Award
Luncheon*

November 9, 2018

*Union League Club
38 East 37th Street
New York City*

Dear Colleague:

The Insurance Federation of New York cordially invites you to attend its 104th Annual Award Luncheon on November 9, 2018.

This year, IFNY will honor two individuals. The Free Enterprise Award, which is at the heart of our Luncheon, will be presented to Dame Inga Kristine Beale, CEO of Lloyd's of London (2014 -2018), for her lifetime achievement and industry leadership. In addition, the recipient of the Public Service Award will be Mary Lanning, President of Yes!Solutions, Inc. and Co-Vice Chair, Boys Hope Girls Hope.

Our guest speaker is Superintendent Maria T. Vullo, of the New York State Department of Financial Services.

IFNY's Annual Luncheon is one of our industry's most highly anticipated events. I firmly believe the reason for its perennial popularity (aside from splendid surroundings, worthy honorees, significant speakers, and superb food!) lies in the personal opportunity it offers each of our members and guests – industry leaders, company executives, brokers, agents, attorneys, consultants and other industry professionals – to catch up with old friends, exchange news and ideas, make new contacts and join in recognizing our honorees.

In short, it offers each one of us the opportunity to join our colleagues in acknowledging the importance of, and demonstrating our pride in, our industry.

So please join us at this year's Annual Luncheon to honor Inga Beale and Mary Lanning.

We look forward to seeing you and your guests, and to a grand time on this special occasion!

Sincerely,
